Good for Them

Bay area fans have seen some fine scholastic basketball this year. More play of top quality will be available to them next week when Bay High acts as host for the south Mississippi B-BB boys' playoff.

Starting Wednesday the winner and runner-up in each of the four southern districts will square-off to determine who will contend with the north Mississippi winners for the state title.

The Echo believes much credit for obtaining the tournament should go to Bay High superintendent, Joe D. McCullough. In addition, officials from other schools along the coast as well as North Central's superintendent, R. E. Webb, helped by plugging for Bay High.

The tournament will help the area in many ways, even financial.

Politics Perhaps?

This editor is perplexed by Mississippi Public Service Commission's recent order directing Southern Bell Telephone and Telegraph Company on March 1 to show reason why the company should not be required by the commission to do ten things.

The order apparently issued from the commission on its own motion, that is, without formal complaint being made to the commission. The citation and supplemental order of the commission require answers to ten issues, many of them as broad as the whole operation of the utility and some possibly beyond the constitutional authority of the commission. But most important it seems to us are the two issues raised with respect to the back billing of some 35,000 telephone customers for undercharges made during the period July 25, 1956, and July 2, 1959.

A reasonable inference from the supplemental order might well be that the commission has raised the other eight issues to force the company to acquiescing in the two-back bill demands, since the back billing is a result of the utility carrying out a RULING OF THE COMMISSION.

With all the candelia shows in the area don't forget the annual show of the Bay-Waveland Garden Club this Saturday and Sunday at Bankston Motors. Hope our South Dakota weather last weekend didn't hurt the flowers too much.

According to the Mississippi Crop and Livestock Reporting Service snow accumulations up to 14 inches were measured in Mississippi last weekend.

With nine students from Hancock County enrolled at Ellettsville State School plus one on the waiting list, local citizens may well be interested in House Bill 82 which would appropriate \$690,000 for additional facilities at this school for retarded children.

Congressional Sidelights

By Rep. WILLIAM M. COLLIER

MORE ON THE BUDGET

For some years we have been greatly concerned over the threat of inflation and the part that deficit spending by the federal government plays in encouraging the spiral of ever-rising prices. We all have felt the effect of this trend, but of course, inflation hits hardest those least able to withstand it—those who draw pensions, retirements, social security, old age assistance, or have other low fixed incomes.

We have long contended that a major contributor to inflation has been non-essential federal expenditures, and we have labored earnestly along with other like-minded members of Congress to cut this spending. Our efforts, however, have not been crowned with the success we would like.

Instead of paying off the gargantuan public debt of \$280 billion at the onset of prosperity, as a prudent nation would do on a periodic basis, we have increased the debt by \$100 billion every time we have had a boom in inflation.

We must call a halt and put our fiscal house in order.

THE TAXES
The Administration estimates that approximately 1961 taxes will be as follows:

Individual income taxes, \$10,000,000,000; Corporate income taxes, \$5,000,000,000; Social Security taxes, \$10,000,000,000; Excise taxes, \$2,000,000,000; Customs duties, \$1,000,000,000; Total, \$28,000,000,000.

appropriated to the President: mutual security — economic, \$1,700; other, \$114; legislative branch, \$162; judiciary, \$52.

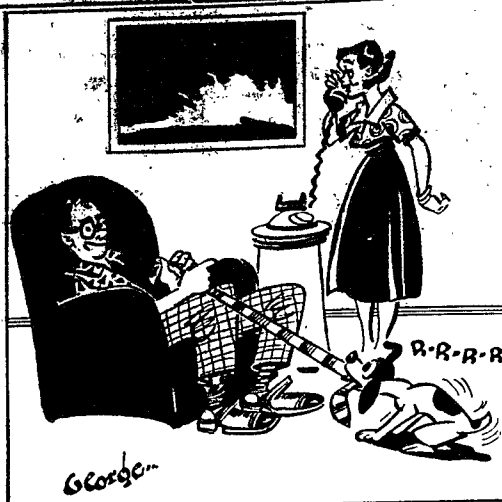

Independent Offices: Atomic Energy Commission, \$2,689; Export-Import Bank, \$7; Federal Aviation Agency, \$68; National Aeronautics and Space Administration, \$600; National Science Foundation, \$160; Small Business Administration, \$123; Tennessee Valley Authority, \$73; United States Information Agency, \$124; Veterans Administration, \$5,466; other, \$295.

General Services Administration, \$458; Housing and Home Finance Agency, \$500; Department of Agriculture, \$6,201; Department of Commerce, \$473; Department of Defense—Military, \$40,995; Mutual Security — military assistance, \$1,750; Civil, \$972; Department of Health, Education and Welfare, \$3,517; Department of the Interior, \$809; Department of Justice, \$271; Department of Labor, \$540; Post Office, \$49; State, \$292; Treasury, \$10,452; District of Columbia, \$48; Allowance for contingencies, \$200; TOTAL, \$79,816.

My Favorite Prayer

By
HON. SAMUEL R. PERCIVAL
Judge, Court of General Sessions, New York County, New York

O God, give me the strength to face adversity boldly; make me bold the quality of humility; grant me the power to resist temptation; and the opportunity to serve my fellow man. Amen.

"Yes, mother, Chuck is really thrilled with that tie you gave him for his birthday."

County Agent Notes

By Howard Simmons

COMING EVENTS

A short hog course will be held at Mississippi State University Feb. 22-27. The latest methods of hog production and research reports for the past years work will be included in the short course.

During the short course, on Feb. 25, the annual state hog field day will be held. Make your plans to attend both of these events.

Both are designed for the commercial hog producer, swine breeder, agricultural workers and feed company representatives.

PECAN MEETING

Don't forget the annual Southeastern States Pecan Growers' Association meeting in Natchez Feb. 26-March 1.

FOREST FIRES

The big fire season is here. Every year forest fires cost a lot of money. We can't afford this loss.

Here are some tips in preventing these fires: Use the "good neighbor policy". Let your neighbors know that you consider your trees a crop. Ask them to let you know when they are planning to burn off fence rows, ditch banks or fields. Help them keep their fires under control.

Keep fire fighting equipment on hand to fight a fire if it does break out. Keep your fire lanes clean. If a fire does get into the woods, notify the county fire fighting crew.

But remember, the best way to fight a fire is to keep it from starting.

LIVESTOCK CARE
Your beef cattle need supplemental protein especially where they have no green grazing and are depending on stored roughage and frosted grass grazing.

Your dairy cows need to be protected from weather. They need plenty of good quality roughage and concentrate.

From Our Files

By Gone Days

15 YEARS AGO
Feb. 16, 1945—Dr. Marion J. Wolfe and Mrs. Louis Maunus reigned as king and queen on Saturday evening over one of the most magnificent balls yet staged by the Bay St. Louis Carnival Assn. with a court of 32 maids, 32 dukes and last year's king and queen.

25 YEARS AGO
Feb. 15, 1935—Miss Rosa Lee Todaro, daughter of Mr. and Mrs. A. Todaro of Gulfport, and Anthony Benigno, son of John Benigno of Bay St. Louis, were married Sunday afternoon in St. John the Evangelist Church at Gulfport.

STRICTLY FRESH

It's funny how warm friends can cool to each other after a heated discussion.

The only trouble with a lot of teachers today is that they don't outweigh their pupils.

YOU AIN'T MY DOLL

Future anthropologists listening to music of the 1900's may label this the "rock" age.

What a shock to find the first focus on the block was stimulated by an under-the-lawn heating system.

Letters to the Editor

Editor, Sea Coast Echo:
The writer for many years was associated as a teacher with the Chicago public school system, particularly with children of kindergarten age.

Several days ago I was invited to visit the kindergarten in the Christ Episcopal Day School, and very favorably impressed with the teacher and the response she received from her young charges — with such a small membership she is able to give them so much individual attention. Among other advantages there is a private, well equipped play ground for them to play in — thus avoiding the possibility of accidents, which might occur while playing with older children.

Mrs. Louis Stehling is, in my opinion, an excellent teacher, and shows by her attitude, the love she has for the children and for her work.

I wonder if parents fully realize the benefits their children

would derive from attendance at such a well organized, and conducted kindergarten. The lessons learned in the early period of young lives will be reflected in later years, and are invaluable in character building.

Sincerely yours,
MRS. K. C. GOODSPEED
Bay St. Louis.

Editor, Sea Coast Echo:

I, Claude S. Bourgeois, pledge that Friday and Saturday, Feb. 19-20, 1960, will be the last time I will play any adult only types of pictures in the Hi Way Drive In.

It was necessary in my estimation to play the types of pictures that we have been playing at the Drive In in order for self preservation, because after the summer tourist left, the citizens of this country did not patronize the drive-in Theater. The above pledge is binding by me only if the people and the organizations now protesting start patronizing and helping the Drive In Theater.

A Drive In Theater is a necessity in any and all communities. We will do everything in our power to become civic minded and work with all organizations. We ask you again to support the Hi Way Drive In Theater and you will be proud of it.

Coast Electric Adds 10 Services During January

Ten new connections in Hancock County were made during January by Coast Electric Power Assn., according to H. H. Shattuck, manager.

New Orleansians connecting included Thompson E. Walker of 2822 St. Phillip St., Erling Hansen of 519 Nashville Ave. and Emile Hebert, 4514 Downman Rd. Those with addresses in the county were T. J. Bowman, Box 47, Lakeport; Howard Rapp, Rt. 1, Box 313, Harvey Thomas, Rt. 1, Box 585, and John R. Verduin, Rt. 2, all of Bay St. Louis, and Whitman Rayburn, Pearlinton. Also connected was L. L. McMahan, Rt. 7, Box 274-A, Hattiesburg.

The home of the U. S. Marine Corps Commandant, built in 1930 is known as the oldest residential building in Washington, D. C.

BRIEFING THE CHIEF — Lt. Comdr. Roger Boh Jr., in Naval uniform at left, is shown being explained to President Eisenhower the operation of the Polaris Complex during the chief executive's brief visit to the Cape Canaveral, Fla., missile center last week. Boh, son of Mr. and Mrs. Roger Boh of Bay St. Louis, was chosen to do the briefing on the Navy section, and wrote his parents the occasion, "What a thrill." He, with hand on cheek, appears in deep concentration. Navy Secretary Thomas Gates is standing with his hand on the corner of the rail, Dr. Histiakowsky, chief scientific advisor, is in crowd, and General Yates is in uniform in the background.

oute is Announced for Parade in Bay

Fourteen floats were entered in the annual Mardi Gras parade sponsored by the Parent-Teacher Association of Bay Central School. The deadline passed Monday, according to Mrs. W. M. Crow, chairman.

Meanwhile, the route for the parade of Chicapulas parade has been announced with only 10 days remaining before the big event. After forming at Bay High School, the celebrants will move on to Carroll Avenue to the south, south on Beach Boulevard, then west on Main to the Courthouse where the king will be crowned.

Scouts on Thinking Program

Approximately 180 Girl Scouts from the 11 troops in the St. Louis-Waveland area will participate in the Thinking Day program Monday from 7 to 8 p.m. at the Bay St. Louis Municipal Center, according to Mrs. Paul H. Girl Scout organizer. The scouts will light a Friend-Fire with a faggot brought from the Colorado roundup summer by several local troops. A short program is being given by the senior scouts under the direction of Mrs. Warren H. Mrs. Loup said. The extended an open invitation to all parents and friends to the program. The municipal beach is located at the intersection of Ulman Avenue and Boulevard.

will toast his queen, then continue on Main to Necaise Avenue, south on Necaise to Railroad Avenue, east on Railroad and Union Street to South Second Street and North on Second to Ulman Avenue. Donations to the Mardi Gras ball following the parade, where King Wallace Bourgeois Jr. will reign with his queen, Clarine Hayward, will be 50 cents for adults and 25 cents for children, including maskers. Costumed riders on the floats will be admitted free.

Entries and their titles include Hansel and Gretel, first and second grade from Bay High; Snow White and the Seven Dwarfs, third and fourth grades at Bay High; Snow White and Red Rose, fifth grade; Rapunzel, sixth; Puss in Boots, seventh, both from Bay High.

Waveland School will enter two floats, both on the Cinderella theme; Webb School will have Little Mermaid; Christ Day School, Sleeping Beauty; North Central School, Rumpelstiltskin; American Legion, Ugly Duckling; Junior Chamber of Commerce, Fairy Tales Can Come True; Ethel's Beauty Shop, Biggest Fairy Tale of All, and Breath's boats.

The tune of the Marines' Hymn, first sung after the Mexican War in 1847, occurs in an old Spanish folk song and in the French comic opera, "Genevieve de Brabant" by Jacques Offenbach.

Marines accompanied Commodore Perry's expeditions to Japan in 1853 and 1854.

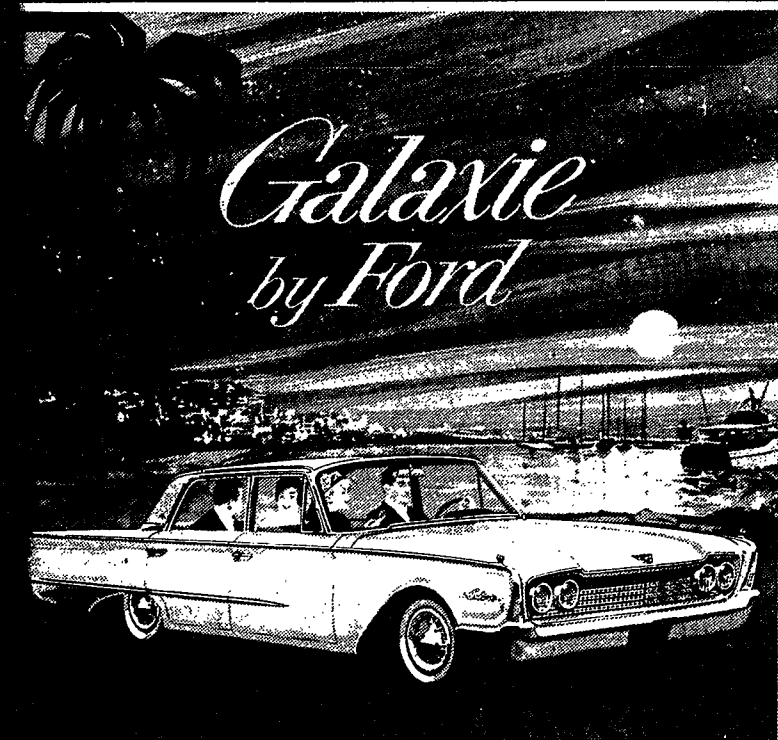

ARMY RECRUIT — Thomas L. McCordle, son of Mr. and Mrs. Melvin L. McCordle of Rt. 2, Box 362, Bay St. Louis, is presently assigned to Co. C, 1st Battalion, 1st Training Regiment of the U. S. Army Training Center, Infantry, at Ft. Jackson, S. C., where he is undergoing eight weeks of basic combat training.

North Central 4-H Club Eyes Pictures

A demonstration on choosing good pictures was presented to the 4-H Club of North Central School this month. Mrs. Joe Hughes, home agent, showed how to blend in colors with the wall and suggested types of pictures for the various rooms.

After a song session and reciting the 4-H Creed, the president, Mary Kathleen Ladner, closed the session with the 4-H prayer.

Last year's winner has won again!

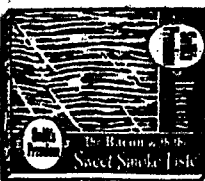

1959's BIGGEST SALES SUCCESS IS GOING STRONGER THAN EVER IN 1960. ONE LOOK AT THOSE BEAUTIFULLY PROPORTIONED LINES AND YOU'LL KNOW WHY! Within one year from introduction, the Ford Galaxie, the Thunderbird of the low-price field, has become the world's best-selling series. For 1960 it is even more sensational. Inside and out, in style and luxury, the Galaxie is unmistakably Thunderbird. For power, you can have the "lightning" of the Thunderbird's own V-8 engine. And for 1960, Galaxie has more room for six passengers than ever before! Yet, all-new and elegant as the Galaxie is, it still sports a low Ford price tag. So take a tip from all America. Come test-drive the 1960 Galaxie—the best-selling car in the world.

Come see the Wonderful New World of Fords at your Ford Dealer's F.D.A.F. FORD—The Finest Fords of a Lifetime FALCON—The New-size Ford THUNDERBIRD—The World's Most Wanted Car

OUT OF THE GULF TO WARM HER BATH

As long as Susie can splash in warm water, she doesn't care how it got heated. But the natural gas that warmed Susie's bath water was once thousands of feet down in the earth. Mother Nature stored it in strange and hard-to-find locations. Some... perhaps the very gas that is used in your home... came from far below the muddy floor of the Gulf of Mexico.

Natural gas is the homemaker's silent helper, ready to work immediately in your automatic gas water heater, your smart new gas range, your gas dryer, or your central heating and cooling system. Gas does all of the big jobs in the home at surprisingly low cost... and we're doing everything possible to keep it the biggest bargain in your family budget.

**UNITED
GAS**

NATURAL GAS still your best bargain

SERVING THE GULF SOUTH

RIGHT IN SEASON - Dr. Franklin Atkinson of First Baptist Church examines paper icicles on the snowhouse used for decorations at the Thursday night program of the church's Brotherhood. The artificial scene almost became a reality during the weekend's extreme weather.

C. and H. Realty Co. to Mrs. Lillian Delph Bard and Miss Beulah Brooks Delph, Lots 45-47, Block 2, Melody Lane Sub. 1st Ward, Bay St. Louis.

Cotton Market Quotas Apply To All Growers

Marketing quotas for the 1960 crop of upland cotton apply to all producers - those who elect Choice B allotments as well as those with Choice A allotments, Fitzhugh Lee, chairman of the County Agricultural Stabilization and Conservation Committee, said this week.

Notices of the national average price support rate for both choices were recently mailed to all producers in the county. Each cotton grower was given the size of his Choice A and Choice B allotment for 1960 before the cotton marketing quota referendum last December.

Cotton growers who want their Choice B allotment in effect for 1960 must file that decision with the ASC county office by March 16. The Choice B allotment for a farm is 40 per cent larger than the regular Choice A allotment. Price support available for cotton produced on a Choice B allotment farm is 15 per cent of parity less than for Choice A cotton.

Under the present law, producers who do not elect the Choice B program will have the Choice A program in effect for their farm.

After the deadline of March 16 for electing a Choice B allotment, there will, in general, be no changes from one allotment to another. Cotton produced on any acreage in excess of the chosen allotment for the farm will be subject to marketing quota penalties.

Legion of Decency Recommends Film

The Lost Angry Man, which will be shown Sunday and Monday at the Sea Theatre, has been named A-1 by the National Legion of Decency, recommending it to the parents of the nation's children.

The Legion says that the picture is a "well-written and well-acted drama" and that it is "a fine example of the type of picture that should be shown to children."

The Council reserves the right to reject any or all bids. This is the last day of February, A. D. 1960.

BE IT ORDERED by the Board that the Board recess until Friday Morning, January 8th, 1960, at 9:00 o'clock A. M.

R. G. HUBBARD JR., President

FRIDAY MORNING, January 8th, 1960, at 9:00 o'clock A. M., the Board met pursuant to recess. There being present as on Thursday Morning, January 7th, 1960.

ORDER WAIVING RIGHT TO COLLECT DAMAGES - S-0104(2B)

On motion of Supervisor Frierson and duly seconded by Supervisor Russ it was unanimously agreed that the following be accepted, to-wit:

Project No. S-0104(2B) ORDER OF HANCOCK COUNTY BOARD OF SUPERVISORS WAIVING RIGHT TO COLLECT LIQUIDATED DAMAGES

WHEREAS the Hancock County Board of Supervisors awarded a contract on the 9 day of July, 1957 to W. E. BLAIN and SON CONTRACTORS of Mount Olive, Mississippi, for the construction of all items of work included in the above numbered project, with the provision that said work be completed within 125 working days, and

WHEREAS, the said Contractor failed to complete the work within the specified time limit, thereby making him liable for damages according to the provisions of the contract, and

WHEREAS, the Board of Supervisors does not find sufficient cause to claim damages from the contractor as a result of this overrun in contract time, now

THEREFORE, the Board of Supervisors of Hancock County hereby waives the right to collect liquidated damages from said contractor W. E. BLAIN and SON and releases him from any liability arising out of his failure to complete the work called for in the contract, within the time limit specified in the contract.

/s/ R. G. HUBBARD, JR. President

PRESIDENT, BOARD OF SUPERVISORS HANCOCK COUNTY

APPOINT DEPUTY TAX ASSESSOR

On recommendation of the Tax Assessor that Hayward Ladner would not qualify as deputy Tax Assessor, a motion was made by Supervisor Necaise, duly seconded by Supervisor Frierson that Claire C. Mitchell be appointed as deputy Tax Assessor at a salary of \$225.00 per month. All members voting Aye.

Announcement is Made of Perrault-Brignac Troth

ANN PERRAULT

Of widespread social interest this week is the announcement of the engagement and forthcoming marriage of Miss Janet Ann Perrault of New Orleans to Edmond Maurice Brignac Jr. of Bay St. Louis and New Orleans.

The bride-elect is the daughter of Mr. and Mrs. Joseph Arlington Perrault of the Crescent City. She is a graduate of St. Mary's Dominican High School and holds a bachelor of science degree in medical technology from Loyola University.

Mr. Brignac's parents are Mr. and Mrs. E. M. Brignac sr. of Bay St. Louis, formerly of New Orleans. He is a graduate of St. Stanislaus College and received his bachelor of science degree in civil engineering from the University of Mississippi where he was affiliated with Kappa Sigma fraternity.

The wedding will be an event of April 23 at Our Lady of Good Counsel Church in New Orleans.

OFF ON CRUISE — Mr. and Mrs. Joseph R. Scharff of 950 S. Beach Blvd., are shown aboard the Home Lines flagship SS Homeric before sailing from Manhattan Isle early this month on a 19-day cruise to the sun filled ports of South America and the West Indies.

Misses Sandy and Kathy Cobb of Biloxi are visiting their grand parents, Mr. and Mrs. Ducre Bourgeois.

Mr. and Mrs. Ben Mutter jr. of Metairie, La., their fifth child and third son born Feb. 15 at Hotel-Dieu. Mrs. Mutter is the former Miss Mary Lou Scaffidi, daughter of Mr. and Mrs. Joseph Scaffidi of the Bay and this is their 11th grandchild. Mrs. Scaffidi is spending two weeks with the Mutters.

Mr. and Mrs. Daniel LaFontaine jr. of Holly Bluff on the Jordan, their second child and son, Agnel Alcide, born Feb. 11 at Gulfport Memorial Hospital. Mrs. LaFontaine is the former Margie Stiglet, daughter of Agnel Stiglet of Kln. Paternal grandmother is Mrs. Antonette LaFontaine of Bay St. Louis.

Mr. and Mrs. Phil J. Kergosien of Houston, Texas, their fourth child and second son, William Ellis Kergosien, born Feb. 15 in Houston. This is the 15 grandchild for the paternal grandparents, Mr. and Mrs. Horace Kergosien of Bay St. Louis.

U. S. Marines were called upon to quell a riot in Massachusetts State Prison in 1924.

A demonstration of a vertical line arrangement was given by Mrs. Ben L. Hille sr. while Mrs. W. H. Thompson presented timely tips on gardening, discussing landscaping and getting the garden ready for spring.

Mrs. R. W. Riggs and Mrs. T. L. Clapp were introduced as new members.

A report from the Gulf Coast Council meeting the previous week revealed that the club had received two awards this year, first places for its scrap book compiled by Miss Veronica Moir and for its year book made by Mrs. Frank Embrey. Announcement also was made that several members, Mesdames Russell, Miller and P. E. Porter sr. had received awards in area camellia shows.

Coffee, Russian tea and other refreshments were served afterwards by Mrs. Russell and the co-hostesses, Mesdames H. H. Shattuck, Miller, Herbert Wise, J. D. Martinez, Charles Lozano, J. E. Erwin, David McDonald, Arthur Chapman, S. P. Murphy and P. E. Porter sr.

Mr. and Mrs. Doherty, are spending two weeks at their home on Beach.

Shower Fetes Mrs. Ansley

Mrs. James Ansley was honored with a surprise luncheon and stork shower at 1 p.m. Monday by Mrs. Watson A. Johns and Mrs. Frank Lagarde at the latter's home on St. Charles Street.

Camellias and fresh greenery were used throughout the house. The honoree received a corsage from the hostesses and a variety of gifts were presented in a pink laundry basket.

Mrs. J. H. Miller poured coffee after the luncheon. Guests were the honoree's mother, Mrs. Lucien Raymond, and Mesdames R. G. Hubbard jr., Francis Shippey, Paul Loup, Merlin Markel, C. C. McDonald sr., Charles Gottschalk, J. D. McCullough, William Kroenen, Myron Smith, Robert Kemery, Johns, Malcolm Coward and Douglas Bourgeois.

Beta Sigma Phi Chapter Formation Planned Here

Plans are under way to establish a charter chapter of Beta Sigma Phi, international cultural, social and civic sorority, in Bay St. Louis, according to Mrs. Ann Bagby, international staff representative who is staying at Driftwood Motel during the organizational period.

Membership is by invitation only and Mrs. Bagby hopes to have plans far enough advanced to install the chapter early next week. Three local women who were members of chapters in other cities are assisting with the drive. They include Mesdames Ben Hille jr., Anthony Pitolo jr. and Robert Fayard. Others who reside in the area are asked to call Mrs. Bagby at HO7-4416.

There are 28 chapters in Mississippi at present and the 1960 state convention will be in Gulfport. Nearby chapters are located at Pass Christian, Gulfport, Biloxi, Picayune, Hattiesburg and Pascagoula. Other major spots are Meridian, Vicksburg, Brookhaven, Columbus and Aberdeen.

Organized in 1931 by Walter W. Ross in Abilene, Kan., from a nucleus of seven girls, Beta Sigma Phi has become the largest non-academic sorority in the world with over 150,000 active members in more than 6,500 chapters in the U. S. and 19 other countries.

Episcopal Women Set Tea at Carter Home

The silver tea given annually by Chapter 1 of the Women of Christ Episcopal Church will take place from 3 to 5 p.m. next Thursday, Feb. 25, at the home of Mrs. N. L. Carter on South Beach Boulevard.

Mrs. Walter B. Gex jr., chairman of the chapter, has extended an invitation to all to attend with their friends and join in the occasion of Christian fellowship.

Mrs. L. L. Perdue, president, conducted the business meeting and was welcomed by the group on her return from a stay at Gulfport Memorial Hospital where she underwent surgery.

Members of the Girls Auxiliary, the Misses Mary Lou Garcia, Kathleen Smith and Janice Clingan, met with the group. Also present from the WMS were Mesdames Ellis Harville, Jack Hughes, Jack Penavler, Robert Epperson, William Painten, Joseph Daly, Jack Norris, Aden Davis and Edna Whitlow.

Shoulda Gone Fishin'

BY EDDIE ENGELHORN

After a five-day extension, the hunting season closed Monday and most hunters have already cleaned and oiled their guns and stored them in moisture proof bags until fall. The salty atmosphere in this area can wreak havoc with fine firearms.

Saturday's snow disrupted any plans anglers might have had for fishing as it did two years ago, Feb. 12, when a heavy snowfall blanketed the city. Wonder if anyone went fishing early in the morning and got caught in the snow?

The only good salt water catches we have heard of are sheephead, which are being taken along the railroad bridge. This has long been a specialty of colored folk and some are picking up pin money with their catches. Most fresh water anglers report muddy water but a few good catches were made with deep running lures.

Jerome Carver is reported to have caught the limit in green trout two days in a row up the Jordan. Must have a secret hole somewhere.

Sorry to have misplaced our notes last week but want to salute Dec Elliott who received a silver pin Thursday a week ago at the annual banquet in New Orleans in recognition of 25 years service with the Boy Scouts. He is committee chairman of leadership and training of scoutmasters and leaders in the New Orleans area which includes the Coast.

Now that the basketball season has just about ended we wish to thank Hayward Lader of Kiln for his expert help in covering many of the numerous basketball games. Special thanks also to Paul Miller, Hemstreet, Regina Bolanos and Ann Morreale.

Henry Pullizzano of U. S. 90 got three rabbits hunting near Poycaine last week. It was a solo trip.

We saw Foster Luke lugging home a load of oysters gathered on the Pass reef.

Lucas Pucheu says he has given up his regular weekly excursions up the Pearl and Jordan Rivers until the water clears up. With Mardi Gras just a week and a half away we are reminded of the American Legion mas-

querade party two years ago when Lucas and Mrs. Pucheu won first prize with their Calypso costumes and dance.

One of the county's most avid sportsmen is Bay High Principal Donald Caldwell. He and John Mollere got seven rabbits over the weekend in Devil Swamp north of U. S. 43. Donald says he will rest a few weeks and go after the bass when the weather warms up.

The four New Orleans men who made headlines last week when they were reported missing on a fishing trip must be true fishermen. They left New Orleans Tuesday at 2:15 a.m. and when they didn't return that night became the object of a search by sheriff's deputies, state police, Coast Guard and other persons. When found late Wednesday they were still fishing.

One of our old fishing partners, Carl Smith, says he hasn't been out in quite a while but is readying his rig and is waiting for the first report of specs being caught. Intends to fish out from this year.

Farm Improvement Shown In Soil District Report

An overall gain of 63 cooperators was reflected by the Soil Conservation District in Hancock County during 1959 bringing better than 4,600 more acres under the program, according to the annual report of Hugh Sanford, conservationist.

Cooperators were increased from 335 to 398 and the acreage under the plan from 49,346 acres to 53,960. This meant that a land capability map was prepared for an additional 47 farms in the county on 4,614 acres of land.

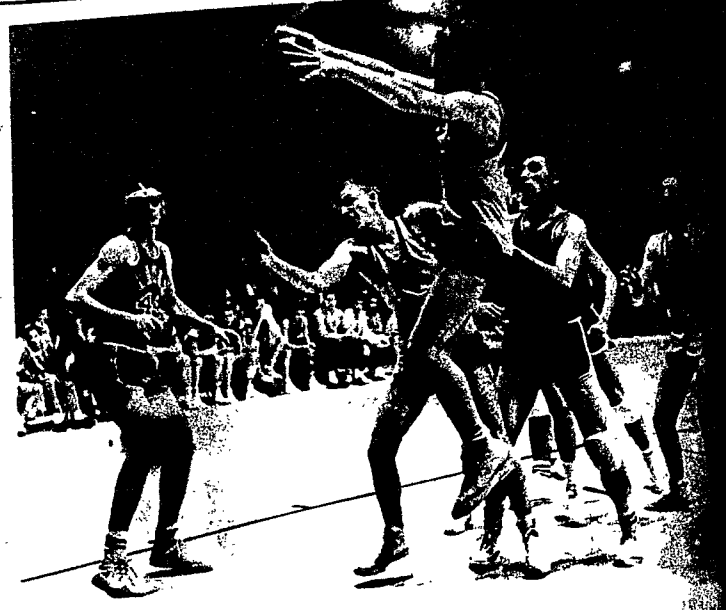

This map is an important guide for planning any farm in that it describes the different types of soil and gives its exact location within the farm land boundaries, Sanford explained.

Kinds and amounts of soil and water conservation practices carried out on 131 individual farms last year furnishing technical know-how in getting them established on the farm included planting 632 acres of pine seedlings; 812 acres crop residue left on the field, contour farming followed on 875 acres, cover crops planted on 881 acres, crop rotation of grass to crops was done on 217 acres, proper land use was followed on 1,817 acres, new improved pastures were planned on 917 acres and rotation grazing was carried out on 450 acres.

Other work showed 396 acres of improved woodland cutting, 66 acres of natural reproduction of pine trees, two farm ponds constructed, 30 acres of woodland seepage drainage constructed, 1,622,916 linear feet of fire breaks constructed, 128 acres of waterway development continued and eight ponds stocked with fish furnished through the fish hatch-

HO HUM — St. Joseph's Ranny Artigues, 23, is apparently bored with the whole thing as she grabs for the ball in the girls' sub-regional finals with North Central. With her is North Central's forward, Ella Mae Ladner, 22.

GET IT — Savannah players, Larry Smith, 14, and Edward Baradell, 25, ball as it escapes down the court in Saturday night's sub-regional finals with North Central. They are North Central's Douglas Necaise, 44, and Donald Necaise, 53.

Rocks' Roar

The Confraternity of the Sacred Heart of St. Stanislaus College will sponsor a Masquerade Dance next Thursday in the S. S. C. gym.

Tickets will be available only to Stanislaus students and their dates. Music for the evening will be provided by the Jokers of New Orleans.

Basketball competition has reached a new high as the student body nears completion of the fourth annual intramural tournament.

Each class is sponsoring one or two teams in the tourney. Varsity and junior varsity members are taking part in a separate tournament simultaneously.

New officers of the Sidelines Club were installed Saturday at a gathering held at the college. Elected to guide the organization for the 1960-61 session were Andre Arceneaux, president; Luke Caruso Jr., first vice president, and Arthur Chapman, second vice president.

The S. S. C. band made an excellent showing at the Pearl River College Clinic Feb. 13. Peter Giaccone secured a first chair trumpet; first chair baritone horn was given to Albert LeBlanc; and David Bishop and George Hill received first and fourth chairs alto saxophones respectively.

In order to facilitate the launching of boats, Brother Ramon, with the aid of some of the boys, recently completed a cement ramp in front of the college.

OFF FOR JACKSON — Mrs. Norman Hall, Bay High Beta Club sponsor, counts noses just before the club left Friday morning for the state convention at Jackson. Eighteen of approximately 30 Bay High members made the trip.

Guard Unit Gets Ready For Alert

Plans for the practice alert to be called sometime before Feb. 28 to test the alert and mobilization capabilities of the state's national guardsmen in case of enemy attack have been completed by the local unit, it was announced this week by Capt. Irvin S. Kingston of the 134th Transportation Co. (light truck).

The city sirens will blast eight times as a signal to notify the unit's personnel to report to the armory on Old Kiln Road next to the county airport. In addition to the mobilization plan guards will be stationed at the foot of the highway bridge, City Hall, Courthouse, fire station and water works, Coast Electric Assn.'s sub station on the dirt road east of Broadview Restaurant, the telephone company's building on St. Francis Street and the Mississippi Power Co.'s building on Necaise Avenue.

Capt. Kingston said the alert does not involve any national or state emergency but is a test alert designed for training the guardsmen. Date and time of the alert will be determined by Gov. Ross R. Barnett as commander in chief of the Mississippi National Guard.

Letters... (Cont. from Page 2.) O. Box 142. CLAUDE S. BOURGEOIS Owner, B and D Theaters

Women's Golf Winners Told

Mrs. Powell Glass jr. led the way with a low net of 39 in the weekly ladies day tournament Tuesday at Pass Christian Isles Golf Club. Because of already winning during the month, the prize went to the next low scorer, Mrs. Joseph Walker with a net 41. Mrs. Glass won low putts with 14.

In the month's match play, Mrs. Glass defeated Mrs. Wilbur Johnston 2 and 1; and Mrs. Johnny Griffin defeated Mrs. Guy Bufkin 3 and 2. Mrs. Glass and Mrs. Griffin will meet in the finals.

Others attending the luncheon and participating were Mesdames Walter Gex jr., John McDonald, Tom McAuley, Roger Sharp, Herbert Wise, Richard Merritt and Walter C. Russo. Mrs. James McDonald will be in charge of the luncheon next Tuesday.

School Menus

BAY ST. LOUIS

North Central Romps Sub-District Win

North Central copped the Regional B-BB basketball championship Saturday night in the gym, taking both girls divisions.

Winning their way to the championship, the Hawks lost a toughie to the 36-35 while the Hawks trouble disposing of 35-31.

The girls kept spectators on the edge of their seats during the entire game, the Gold Jays pounding out a 11-7 lead in the first stanza and increasing it to 24-18 at the half. After intermission the Hawks caught fire and would not be denied. They took the third frame 11-3 to get the lead at 29-27 and both teams were fighting gamely at the final buzzer but North Central stalled in the final minutes and maintained a 1-point lead.

Pup Born in Pekingese

Six weeks ago on Jan. 1, a pup was born to a Pekingese dog owned by Lloyd R. Hoda of Arabi, former Miss Lottie Carver, St. Louis.

Subsequently died. Then the birth of another pup was announced Tuesday, Feb. 9, called the miracle pup. Another is rejecting her food to give undivided to the little newcomer.

TRIED BUT HAPPY — Proudly displaying their team's trophy after Saturday night's sub-regional playoffs at North Central are left North Central's Janell Ladner and Donald Nace, and right North Central's Janell Ladner and Donald Nace.

Bank Opens Gulfport Home

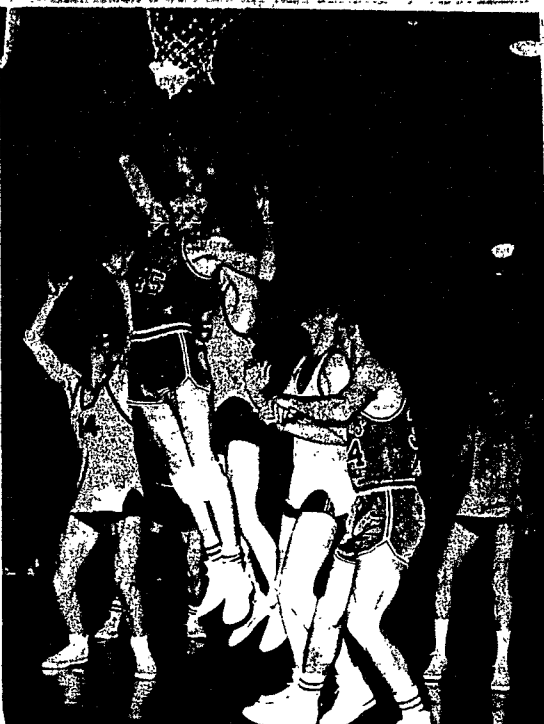

Seal, president of the bank, announces the new building in Gulfport will be dedicated March 5. The bank is open from 10 a.m. to 7 p.m. with customers invited to new banking quarters. Hancock Bank was established in 1899 in Bay St. Louis, reflects the Coast's growth from almost nothing to its present reputation as one of the leading banks in the Gulf of Mexico, U. S. and one of the leading areas in the deep

Kiln Cager Stars at Louisiana College

When stocky Larry Ladner, 5-9 fast-moving guard from Kiln, graduates in May, Louisiana College's Wildcat basketball aggregation will lose one of its most colorful performers of recent years.

A fierce competitor, who makes up in spirit what he lacks in size, Larry has been one of the main reasons why Coach Billy Allgood's 1959-60 L. C. cagers have already turned in their best season in more than a decade. (The Cats had won 13 of 19 starts as of Feb. 15.)

Before entering Louisiana College in the fall of 1958, young Ladner sparkled at Pearl River Junior College for two years, 1955-57.

At Kiln High School, the Feline "Toy Bulldog" was an "All Everything." In basketball, he was All-State in 1955 as well as Hancock County's most valuable player. He was rewarded for his prep school brilliance by being selected to play in the Mississippi North-South hardwood game that year. Larry is the only Kiln player ever to be so honored.

Also, the speedy athlete averaged 25 points per cage game his senior year during which time he was South Mississippi's highest scoring high school guard.

But he didn't confine his high school athletic activities to the roundball game. Kiln sponsored varsity football only his senior year, so Larry proceeded to make All-Conference quarterback and out-score all his teammates. He also lettered in baseball.

At Pearl River Junior College he continued his fine play in the gridiron and cage sports.

It didn't take the hustling 170-pounder long to win the hearts of Louisiana College fans during the 1958-59 basketball season. He saw a great deal of service with the Wildcat hoopers until he sustained a broken hand in the second 1959 Northeast Louisiana L. C. tilt last February.

At Louisiana College, Larry has again proved himself a leader in other fields (he was president of his high school class for four straight years at Kiln). He is president of the Physical Education Majors Club, a Student Congress representative, and member of the Cadman Society and Student National Education Association.

Ladner is majoring in physical education and minoring in social studies. He plans to coach when he graduates.

LARRY LADNER as soon as he receives his B. A. degree in May.

WORTH MORE BECAUSE THEY WORK MORE!

Compare this list of Chevy advances with the features ordinary trucks are still talking about. You'll see why Chevy trucks get more work done in a day... why they go extra thousands of miles before trade-in time. These Sturdi-Bilt Sixties aren't just new, they're a full scale revolution!

6'S SWORN TO SAVE
Chevy's 6-cylinder engines are set to squeeze extra miles out of every drop of fuel. They're long famous for low fuel consumption, high performance.

SHORT STROKE V8'S
Power-packed for peak performance, Chevy's husky V8's make child's play out of the toughest hauls. They have a mind tuned to economy, too, that keeps costs down, profits up.

SLICK NEW SUBURBAN CARRYALLS
These handsome new handy haulers "double in brass"—can transport eight passengers or up to 950 lbs. of payload. Rear and center seats are easy to remove and replace when necessary. For work or for pleasure, these double-duty beauties are best for both!

CABS FOR BIG GUYS
Big guys get a bigger break in a Chevy cab. There's plenty of space inside to stretch out and relax; more room for hats and hips, more room for wide shoulders and long legs. There's horizon-wide visibility through a windshield with 26% more glass area; a new see-at-a-glance instrument panel. Cabs are safer, too, up to 67% more rigid.

TORSION-SPRING RIDE
Each front wheel, suspended independently of the other, is free to step individually over bumps. And shockproof torsion springs up front soak up the jars and jolts before they reach the body. With three rugged new tailored-to-the-truck rear suspensions to further reduce road shocks, Chevy gives you the smoothest truck ride you've ever felt.

NO SHIMMY, NO WHEEL FIGHT
Drive a '60 Chevy. Just once. Right away you'll notice the absence of I-beam shimmy and wheel fight common on ordinary trucks.

With independent front suspension there's a brand-new, smoother, easier handling feel behind the wheel.

NEW DOLLAR-SAVING PRICES
Chevrolet's low prices make big truck news for '60. They mean money in your pocket on model after model. Step-Vans, 4-Wheel Drives, many light-duty models with automatic transmissions—all are lower priced. Also, prices have been reduced on all optional V8's.

SEE YOUR DEALER
It could be the most important visit you make in '60. When you've seen these new Chevies, you'll agree they're the world's most advanced trucks. Then drive one and find out why.

Women Voters Finance Drive Chairmen Told

Mrs. David P. Pender, president of the League of Women Voters, announced at an executive board meeting at her home Tuesday that Mrs. Don Prunty and Mrs. William Lamb will be co-chairmen for the finance drive which is to be the last two weeks of February. The League is a national organization of non-partisan women who are interested in the mechanism of local, state and national governments. At present the local unit is engaged in the study of city government, and will be studying in turn the county and national governments.
